

Principles and Expectations

- Compliance with the Equality Act is consistent with the school's aims and Equal Opportunities policy and Learning Support policy.
- Our staff recognise their duty under the Equality Act:
 - Not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services
 - Not to treat disabled pupils less favourably
 - To take reasonable steps to avoid putting disabled pupils at a substantial disadvantage
 - To publish an accessibility plan
- In performing their duties governors have regard to the Equality Act 2010
- Merchant Taylors' School
 - recognises and values the young person's knowledge/parents' knowledge of their child's disability
 - recognises the effect their disability has on their ability to carry out activities, respects the parents' and child's right to confidentiality
- The school provides all pupils with a broad and balanced curriculum that is adapted where needed and age appropriate.

Expectations of staff

Staff have the following responsibilities:

- To ensure that they do not treat a disabled person less favourably than a non-disabled person for a reason relating to the person's disability
- To not indirectly discriminate against a pupil with a disability by failing to make a reasonable adjustment and so placing

manner of access will therefore vary and will be discussed with the Head of Section in the first instance, in consultation with the pupil's tutor and the Learning Support team where appropriate.

The school completes an accessibility audit in conjunction with writing its three year accessibility plan, however interim audits may take place as needed to take account of the needs of new pupils and staff. Staff involved in the accessibility audit may include (but are not limited to): Head of Operations (MTS), Heads of Learning Support, Senior Deputy Head (MTP), Deputy Head (Academic, MTS), School Business Manager (MTP), Assistant Head of Teaching, Learning and Innovation (MTS), and the Buildings Manager.

Reasonable adjustments

The school has a duty to make reasonable adjustments, this includes 'to take such steps as it is reasonable to have to take to provide auxiliary aids ... where a disabled person would, but for the provision of the auxiliary aids, be put at a substantial disadvantage in relation to a relevant matter in comparison with persons who are not disabled'. Examples of 'auxiliary aids' include, height adjustable furniture and specialist software.

Financial Planning and control

The Head Masters of MTS and of MTP, SLT and the Governors' finance committee will review the financial implications of the accessibility plan as part of the normal budget review process.
